

Basis of Structural Timber Design
from Research to Standards

Joint Conference
and 6th Workshop
in Graz

Programme of WG4 Meeting

Programme – WG4

6th Workshop “COST Action FP1402”

**following “International Conference on Connections in Timber Engineering –
From Research to Standards”**

Graz University of Technology, Austria

Thursday, September 14th 2017 & Friday, September 15th 2017

WG 4 – Hybrid Timber Structures

Jörg Schänzlin

Alfredo Dias

PROGRAMME

Thursday, September 14th 2017

- 13:00 – 15:00 STAR (Part I) – Current status
Report on the current status of the STAR
~ connection
~ short term
~ long term
~ input values

Discussion on:
 Does the current STAR represent the State of the Art?
 Are there any missing issues in the current documents?
Decision on the final format
Definition of the authors
Time table for the finalization of the STAR
Definition of responsibilities
- 15:00 – 15:30 Coffee Break
- 15:30 – 17:00 STAR (Part II) – Missing parts
Discussion about how to proceed the non solved questions
~ partial safety factors for shrinkage
~ partial safety factors for the MoE?
~ Load cases and distinguish between short & long term loads
~
Presentations are welcomed

Friday, September 15th 2017

- 08:30 – 10:00 Training school & Dissemination
 Introduction of the place/location
 Program & fixing the content
 Administrative boundaries
 Collection of the teachers
 Dead lines
 Determination of the documents, provided for the TS

Papers for a special issue

- ~ contributions
- ~ dead lines
- ~ administrative issues

10:00 – 10:30	Coffee Break
10:30 – 12:00	Outlook on further development identification of additional open questions ideas for common research projects(?) Adoption of the minutes of the meeting Content of the next final meeting Summary & closure of the WG-meeting
12:00 – 13:00	Lunch
